Electronic Import Delivery Orders

PAE is very proud to launch its new state of the art Electronic Delivery Order program. Jointly developed with Bryn systems the EIDO program will allow us to deliver an even higher level of service to our valued customers. We had been testing with those concerned for some time and now wish to go "LIVE" as soon as possible. To do so we will need all Import customers to complete the below details with respect to where you require the delivery order to be sent.

EIDO Receivers details:

Company: Unity Int'l Cargo P/L
 Contact: Import
 Email Address: Imports@uicargo.com

We authorise our agent Unity Int'l Cargo P/L
 to receive delivery orders on our behalf and acknowledge that if these details are to change then it is our responsibility to inform PAE accordingly.
